ORÁID AN CHATHAOIRLIGH

A Cháirde Gael

Fáilte roimhaibh uilig chuig an seasúir sraithe úr 2020 ! Tá súil agam go mbainfidh sibh idir shult agus tairbhe as an seasúir seo. Gúim gach rath agus bláth ar ár foirne uilig.

It is a great honour to welcome you all, our loyal supporters, to a new national league season. We enter this season with spirit and optimism, having enjoyed a solid pre-season, with robust performances in the McKenna Cup, the McGurk Cup and the Kehoe Cup. Our league objectives are straightforward and achievable : to win all of our home games and achieve promotion. We wish Lenny and Darren well.

Off the pitch, we have several causes for optimism. With the recent political developments, our main strategic objective at Pairc Mhic Easmainit has a renewed optimism and in the coming months we hope to present you with a firm position with regards to the decision on our planning application and hopefully thereafter a realistic timetable for the 21 month build project.

Having endured six years of being a county without a ground with a covered stand, three of our clubs are at varying stages of developing seated covered stands for spectators. Ó Donnabháin Rosa recently secured planning and funding to develop a 200 seater stand at Páirc Rosa and look forward to commencing work this year. Cumann Micheál Mac Dáibhéid will open their amazing brand new facilities at Páirc Mac Dhábhéid on Saturday 8th February with the visit of the All Ireland senior hurling champions Tipperary. Tipp have been a long standing anamchara to Antrim and we encourage all of you to get your tickets well in advance as we trust that the 3400 capacity ground will be close to full!

Our designated second county ground, at Corrigan Park is also undergoing a transformation with groundworks having commenced this week to build a new 400 seater stand and terracing for 2000 spectators. The project benefits from a £500,000 grant from Central Council with the balance coming from the County Board, Ulster Council, the Saffron Business Forum, Club Aontroma and the St John's GAC. In a very short time we will be able to welcome visiting counties to facilities worthy of our teams preparations. I would specifically like to single out the Glenavy and Loch gCaol clubs for their commitment and assistance in providing us with homes for our national leagues games this year, go raibh math agaibh a chairde.

Finally, I would like to commend Club Aontroma for taking the initiative and preparing our match programmes for the national league. We will all agree that the programmes for the County finals enhanced our collective enjoyment of the day and with enhanced spectator facilities on the way we hope our improved match day experience will drive attendance and appreciation for the hard work our county panels put in. Our programme today includes player profiles and the commencement of a running series showcasing the exceptional developments that our clubs are involved in, because ultimately our strength lies on our clubs. As with all progressive initiatives, there are costs engaged and I would encourage any local small businesses to avail of the advertising opportunities to promote their businesses on these pages and equally I would encourage all of our patrons to support those businesses that contribute to county development. Ní neart go cuir le chéile !!

Go raibh maith agaibh a chairde, we are very appreciative of your continued support, year in year out.

Bainigí sult as an lá!

Le gach dea-ghuí,

Ciarán Mc Cavana/ Ciarán Mac an Mhanaigh

ON THIS DAY 2ND FEBRUARY

The first two teams to contest an inter-county game at what was to become Croke Park were Dublin and Kildare in February 1896, for the 1895 Leinster semi-final. The score was 2-7 to 0-4 to Dublin. Both counties were represented by club teams, Isles of the Sea and Clane, as was the custom of the time. Around 2000 spectators attended.

CLUB FOCUS GLENARIFFE

Our project came about as Oisins CLG, Glenariffe were in dire need for new changing facilities and the Glenariffe community were in dire need for a community space. The prime location for a community hub which would serve the whole community was most certainly on the hurling club grounds. The site is safe to access, well positioned from the main road with great external play space.

In 2011 Friends of Glenariffe were formed to address these 2 issues. Following extensive research throughout the community it was evident that the club members wanted new changing facilities, indoor training space and meeting and function rooms and the local community wanted a facility which provided access to facilities and services other communities enjoy, proactively help

increase community physical and mental well-being, promote social inclusion, help address the disadvantages of rural isolation and reconnect people of all ages, abilities, backgrounds, beliefs and interests.

The following 8 years were solely immersed in fundraising and applying for whatever grants were available. In October 2016 all our hard work started to pay off and the grants started to come in. Our total project cost, including fit out to date, was £1.1 million and of that the build cost was £853,578.08. The base of our grant funding came from The Big Lottery Space & Place Programme for the sum of £420,000; this was followed with funding from Causeway Coast & Glens Council for £180,000; we received £30,000 from Ulster Garden Villages Fund to kit out our kitchen; and to bridge the gap we took a loan from UCIT (Ulster Community Investment Trust Ltd) for £150,000 but the want and need for this facility was shown in what we raised ourselves as a community – our own contribution to the project was £320,000.

The centre comprises of 2 levels - on the ground floor there are 4 large changing rooms with toilet and shower facilities for both the able and disabled bodied. These rooms have also been used for meetings and exercise and arts and crafts classes.

On the first floor there is a 16-station gym which has fabulous views up the Glenariffe Glen. Our current users range from age 16 to those in their 80's. It has been a fabulous tool for those wanting to improve in their mental as well as their physical wellbeing.

On this floor we also have a community room, which again has fabulous views overlooking the Irish Sea and kitchen. This room leads onto a balcony from which you can watch training, matches or a prime spot for the budding artist.

The community room has been used daily since we opened in June 2019. The room has been a great benefit to the club as we are able to carry out internal fitness training in the winter months for all age groups and for fundraising events. The community have used it for birthday parties, funeral teas, exercise and arts and crafts classes.

RÉ ÚR AONTROMA **A NEW ERA FOR ANTRIM** **A NEW ERA FOR CLUB AONTROMA**

The management and development of the GAA in Antrim is in a strong, confident and vibrant era.

With our new and ambitious capital projects at Casement Park and Corrigan Park and our Centre of Participation at Dunsilly, as well as the GaelFast initiative, we have much to look forward to and plan for.

Our shared goal is to increase support for Gaelic Games and cultural activity within our county and to promote support for our county teams.

Our new committee seeks to attract more members into Club Aontroma to increase the funds raised for the GAA in Antrim.

With the relaunch of our membership scheme we invite new members to be grass roots ambassador for our county. Membership is £10 per month, which affords entry to All Ireland final ticket draws and free admission to our county finals.

Our county is blessed with the success of the Saffron Business Forum and the crucial funds which it generates, however Club Aontroma will provide grass root access to support our teams and Gaelic ethos and ambitions for the future.
